ZAGBĚGON ACADEMY

Zagbėgon Academy Transportation Team is committed to providing transportation services to as many families as possible. We prioritize with families who have children needing to be picked up or dropped off at childcare and/or live more than 1 mile from Zagbėgon. We are unable to service door-to-door.

Zagbėgon Program Responsibilities

Children will be kept safe.

Children will only be released to authorized individuals listed on the Child Information Record (E-Card).

Bus Drivers will do their best to be on time. If the bus is more than 10 minutes late, the Transportation Team will make every attempt to contact families.

Bus Drivers will wait 3 minutes at a stop before departing to the next stop.

Family Responsibilities

Families are asked to arrive at least 5 minutes prior to the time the bus is due to be at the designated stop.

Please be sure to keep the Child Information Card up-to-date, especially phone numbers and emergency contact information.

Please understand that for the first couple of weeks, the routes may not run on time.
