PURPOSE; PUBLIC POLICY; AUTHORIZED GAMING

Section 1.01 Short Title. This Act shall be known and may be cited as the “Pokagon Band Gaming Regulatory Act”

Section 1.02 Purpose and Authority. The Tribal Council of the Pokagon Band of Potawatomi Indians enacts this Act in order to regulate all forms of Gaming within the Tribe’s Reservation. Under the authority granted by the Pokagon Band Constitution, the Tribal Council is the governing body of the Tribe and is vested with the sovereign powers of the Tribe not inconsistent with any provisions of the Constitution. Pursuant to the express grant of authority enumerated in Article IX, subsections 1 (a), (c), (d), (e) and (h) and subsections 2 (a), (e), (j), (k) and (l) of the Constitution and the inherent authority of the Tribe as a sovereign tribal nation to provide for the health, safety, and welfare of the Pokagon Band of Potawatomi Indians, the Tribal Council enacts this Pokagon Band Gaming Regulatory Act.

Section 1.03 Public Policy.

- (a) The Tribal Council hereby finds, and declares it to be the public policy of the Tribe, that:
 - (1) Proper regulation of Gaming is essential in order to ensure that Gaming is conducted honestly and free from unlawful conduct and corruptive elements.
 - (2) Strict regulation of all Persons, locations, practices, associations, and activities related to the conduct of Gaming is required in order to maintain public confidence and trust in the honesty and integrity of Gaming.
 - (3) The Licensing of Gaming Suppliers, Gaming Employees, Gaming Establishments, and other Persons within the Tribe’s jurisdiction is necessary to preserve the integrity of Gaming, to protect the public, and preserve the general welfare of the Tribe.
 - (4) The conduct of properly licensed and regulated Gaming by the Tribe fulfills important policy objectives of the Tribe and the federal government by promoting Tribal self-government and economic self-sufficiency.
 - (5) The substantial and relatively stable source of revenue offered by Gaming enables the Tribe to fulfill its governmental responsibilities to the Tribal membership.
- (b) All Gaming conducted within the Tribe’s Reservation and that is otherwise authorized by law shall be regulated and licensed pursuant to the provisions of this Act.
- (c) Participation in Class II and Class III gaming as a licensee under this Act shall be deemed a revocable privilege conditioned upon the proper and continued qualification of the individual licensee and upon the discharge of the affirmative responsibility of each licensee to provide the Commission with any assistance and

information necessary to assure that the policies declared by this Act are achieved.

Section 1.04 Adoption; Repealer. This Act is enacted by adoption of Tribal Council by Resolution No. 07-02-07-01, which also repeals the Pokagon Band Gaming Regulatory Act enacted by adoption of Tribal Council Resolution No. 03-05-10-1, as amended by Tribal Council Resolution No. 03-10-11-12 and approved by the NIGC on December 5, 2003 (hereinafter the “Gaming Regulatory Act of 2003”) pursuant to the IGRA (25 U.S.C. § 2710.), provided that the repeal of the Gaming Regulatory Act of 2003 shall not have the effect of reviving any other Tribal law repealed by adoption of the Gaming Regulatory Act of 2003 or any amendments thereto. This Act and the repeal of the Gaming Regulatory Act of 2003 shall become effective upon the approval of this Act by the NIGC.

Section 1.05 Severability. If any provision of this Act or its application to any Person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Act that can be given effect without invalid provision or application. To this end, the provisions of this Act are severable.

Section 1.06 Unauthorized Gaming. All Gaming within the Reservation, whether Class I, Class II, or Class III, is prohibited and unlawful, except as expressly authorized by this Act. Any Indian person who commits any act of unauthorized Gaming on the Reservation shall be guilty of a criminal offense and may be prosecuted in accordance with subsection 13.03 (a). Any Person who commits an act of unauthorized Gaming on the Reservation or any other Tribal land shall also be subject to a civil fine and enforcement action, as provided in subsection 13.03 (b).

Section 1.07 Conduct of Games. All Gaming shall be conducted by Persons duly licensed by the Commission except for Class I Gaming to the extent the Commission determines such Persons do not require licensing. No Person licensed by the Commission shall engage in, conduct or condone any Gaming that is not conducted in accordance with such Regulations governing the conduct of games as may be promulgated by the Commission under this Act.

Section 1.08 Permitted Gaming.

- (a) Class I Gaming. Class I traditional games are permitted to the extent consistent with Tribal custom and practice. The Gaming Commission may, at its discretion, consult with the Elders Council to determine which games and practices are consistent with the Tribe’s customs and practices. The Gaming Commission may prohibit or regulate the conduct of Class I traditional games if it determines such regulation is necessary to promote the public policies behind this Act.
- (b) Class II Gaming Authorized. Class II Gaming is hereby authorized to be conducted on lands within the Tribe’s Reservation; provided, however, that such Class II Gaming shall be conducted only in accordance with the provisions of this Act, the Regulations, and the IGRA.
- (c) Class III Gaming Authorized. Class III Gaming is hereby authorized on lands

within the Tribe's Reservation; provided, however, that Class III Gaming shall be conducted only in accordance with the provisions of this Act, the Regulations, the IGRA, and the Compact.

Section 1.09 Location of Gaming. The Commission shall ensure that all Gaming that the Commission authorizes and licenses pursuant to this Act is conducted on lands within the Tribe's Reservation and that such Gaming is not otherwise specifically prohibited by federal law.

Section 1.10 Ownership of Gaming. The Tribe shall have the sole proprietary interest in and responsibility for any Gaming Operation authorized by this Act provided, however, that nothing herein shall interfere with the exercise by any secured party of its rights under any collateral lease or other financing agreement with the Tribe or Tribal entities for the purpose of securing repayment of the debt obligations in accordance with the provisions of such agreements.

Section 1.11 Use of Gaming Revenue. Net Revenues from any form of Gaming authorized under this Act shall be used only for the following public purposes of the Tribe:

- (a) To fund Tribal government operations and programs;
- (b) To provide for the general welfare of the Tribe and its members;
- (c) To promote Tribal economic development;
- (d) To make donations to charitable organizations; and
- (e) To help fund operations of local government agencies;

The Tribe may only make per capita payments to Tribal members from Net Revenues in accordance with a revenue allocation plan that has been approved by the Tribal Council and the Secretary of the Interior.

Section 1.12 Primacy of Compact. Solely with regard to Class III Gaming, the regulatory requirements set forth in this Act are intended to be supplemented by, rather than conflict with the requirements of Section 4 of the Compact. To the extent that any regulatory requirement in this Act is less stringent or less restrictive than a parallel provision in Section 4 of the Compact, the Compact shall control.
