

# Title VI Public Hearing Notice

**Come & learn about the Indian Education Formula Grant program.**

The goal of the Indian Education Formula Grant Program (Title VI) is to ensure that programs serving Indian children are of the highest quality and provide not only basic elementary and secondary educational needs, but also the unique educational and culturally related academic needs of Indian children.

Native children attending a public school with at least 10 Native students in the school district (at least 51% must be Pokagon Band citizens) can be a part of the Title VI grant. This public hearing will seek input from parents and the community about what the Pokagon Band Department of Education has planned for the 2024-2025 Title VI funds.
