# NOTICE OF ADOPTION OF FINAL AMENDED GAMING REGULATIONS

**July 08, 2026**

Pursuant to subsection 3.15(d) of the Pokagon Band Gaming Regulatory Act ("the Act"), the Pokagon Band Gaming Commission ("Commission") is publishing and posting this Notice of Adoption of the attached final amended Gaming Regulations ("Final Amended Regulations").

By public notice dated April 15, 2026, the Commission provided notice of its proposed amendments to the Gaming Regulations for public comment (the "Proposed Amendments"). Broadly, the Proposed Amendments included without limitation, amendments to the Gaming Regulations to be consistent with the Tribal Council's most recent amendments to the Act: (1) amendments regarding the definition of "Key Employee" and "Primary Management Official" to be consistent with Indian Gaming Regulatory Act implementing regulations; and (2) removal of a Gaming Employee License level not utilized (Level 3).

The Commission fully reviewed and considered the limited comments received in response to the Proposed Amendments. Following the Commission's review of such comments, the Commission made only one change to the Proposed Amendments at Subsection 6.02(a)(6)(ii)(C), making a correction by changing the word "steal" to "steel". The only other comment received concerned the title of a position within the definition of the term "Key Employee". The Commission declined to make any change in connection with this comment, including because the language utilized in the Final Amended Regulations is consistent with the Act's definition of the same term.

These Final Amended Regulations are effective as of July 08, 2026.

Copies of the Final Amended Regulations are available at the Commissions' website (https://www.pokagonband-nsn.gov/business_community/pokagonbandgamingcommission/) or by sending a written request to the Commission at the following address:
