1. Description.

The Pokagon Band of Potawatomi Indians (“**Pokagon Band**”) is a federally-recognized Indian tribe with a ten-county service area in southwest Michigan and northern Indiana. The Pokagon Band Kowabdanawa odë kè department (They watch over this land; formerly the department of natural resources) (“**Department**”) seeks to develop an environmental conditions inventory of the Kankakee River from the headwaters to where the Kankakee exits the state of Indiana.

Pursuant to this Request for Proposal (“**RFP**”), the Pokagon Band seeks sealed proposals from individuals and legal entities to complete three longitudinal surveys, each of the Kankakee River from the crossing at Crumstown Highway to the US Highway 41 crossing, approximately 75 miles of river length. A longitudinal survey will be completed every other year starting in 2024 and ending in 2028. (“**Work**”). This RFP should address all work aspects outlined within the attached **Exhibit A – Statement of Work (“SOW”)**.

To contact the Band regarding this RFP all contacts should be made to the Purchasing Department (“**Contact Personnel**”) by email at Purchasing@PokagonBand-nsn.gov or by telephone at (269) 462-4205.

2. Contents.

Proposals must not exceed 20 single-sided pages, including the cover page and should be prepared on 8 ½ x 11-inch paper using at least 12-point font with 1-inch margins. Proposals must be in accordance with this RFP, including, without limitation, addressing all requirements of the SOW. Proposals must include a cover letter summarizing the proposal, which must certify that the signatory is legally authorized to commit the proposer to all terms and conditions of the proposal. Proposals must demonstrate the proposer’s ability to complete the type of work requested within the SOW based on experience and work products.

Each proposer (“**Proposer**”) must complete, sign, and submit with the proposal the following forms, copies of which are affixed to this RFP:

- (c) **Exhibit D – Acknowledgment of National Sex Offender Registry Check Form**

These exhibits are not part of the 20-page limit for the proposal.

Proposers are discouraged from including any information in a proposal that may be considered confidential or proprietary under applicable law. If a proposal must include such information, then a Proposer must specifically designate the specific portions of the proposal that are confidential or proprietary. The Pokagon Band will treat such information as confidential, but neither the Pokagon Band nor any of its officials, employees or representatives shall be responsible for any release of such information.

11. Irrevocable.

Any proposal may be withdrawn before the Deadline. Any proposal not timely withdrawn shall constitute an irrevocable offer for a period of 120 days to perform the Work in accordance with the SOW, which may be accepted by the Pokagon Band through issuance of a notice of award to the selected Proposer.

Proposal modifications will be accepted only if received prior to the Deadline, in writing, properly signed by the authorized representative of the Proposer. Proposal modifications shall be submitted in the same manner as a proposal but shall be clearly marked as “Modification to Proposal for Analysis of Additional Dowagiac River Meander Restoration”.

Any mathematical errors contained within a proposal shall be corrected by the Pokagon Band, including without limitation, misplaced decimal points or discrepancies between unit prices and extended prices, etc.

12. Evaluation.

The Pokagon Band will select the proposal that it determines to be most advantageous to the Pokagon Band. The Pokagon Band will determine whether a proposal meets the requirements of this RFP and, depending on the nature of the requirement, may eliminate a proposal for failure to comply with one or more of the requirements of this RFP.

13. Reserved.

The Pokagon Band reserves the right to: (a) select another Proposer, if the Pokagon Band and the

selected Proposer are unable to finalize the Agreement on terms acceptable to the Pokagon Band; (b) waive any formalities, variances, deficiencies or irregularities contained in a proposal or in the manner of its submittal and award a contract; (c) reject all proposals; (d) abandon the project; and (e) re-solicit other proposals for the project on such terms as the Pokagon Band deems appropriate.

This RFP does not create any obligation which is legally enforceable against the Pokagon Band or any Pokagon Band official, employee or representative.

14. Contract.

The Pokagon Band anticipates entering into a contract in connection with this RFP, which shall be in a form and substance substantially similar to **Exhibit E – Form Services Agreement**, unless the Pokagon Band, in its sole discretion agrees otherwise.

This RFP is not a contract offer and any proposal submitted in response to this RFP shall not constitute a contract with the Pokagon Band. A contract between the Pokagon Band and a Proposer shall not be established until the Pokagon Band has fully reviewed all proposals and a written contract that clearly sets forth all material terms and conditions of agreement has been duly authorized and approved by the Pokagon Band and the selected Proposer.

The selected Proposer must complete all forms required by the Pokagon Band.

15. Collusion.

Each Proposer represents that the Proposer has not, directly or indirectly, divulged to, discussed or compared the proposal with any other Proposer and has not colluded in any manner whatsoever with any other Proposer in connection with this proposal.

16. Compliance.

Proposers must comply with, and proposals are subject to, all applicable laws, rules, regulations and standards in connection with the Work, including without limitation, all requirements which apply in connection with the Pokagon Band using any grant to fund the Work, whether in whole or part. By submitting a proposal, each Proposer acknowledges and agrees to all terms and conditions of this RFP.

EXHIBIT A – STATEMENT OF WORK

1. Introduction.

The Pokagon Band of Potawatomi Indians is descended from the Potawatomi Nation, which once extended from the central lower peninsula of Michigan to the Mississippi River. In 1994, federal recognition was reaffirmed through the Pokagon Band Restoration Act. The Act established a ten-county service area, including four counties in Michigan and six in Indiana. The Pokagon Band has reclaimed approximately 6,850 acres of land within the service area, about half of which has been taken into trust. The Kankakee River (“River”), which runs through tribal land, was dredged and straightened in the early 1900’s.

The Kankakee River environmental condition inventories will be implemented in three survey periods during the project starting in 2024 and ending in 2028. The inventories will be completed using kayak to survey along the primary flow path of the waterway to gather data on natural and man-made features, habitat characteristics, physical state (nutrients, temperature, conductivity, pH, turbidity, dissolved oxygen), and biological observations. The inventory route on the main river channel will cover approximately 75 miles from the Kankakee River crossing on Crumstown Highway to the U.S. Highway 41 crossing (see Figures 1 and 2 on pages 3 and 4). Three complete surveys will be conducted to establish baseline conditions and initial changes over the course of the project.

The survey efforts being conducted will: 1) pinpoint areas where nonpoint source nutrient pollution may be an issue; 2) provide current levels of nutrients, turbidity, and dissolved oxygen within the system; and 3) determine the effects of on-the-ground efforts initiated through this project and additional partner projects working towards nutrient reduction goals. With the Upper Mississippi Basin contributing a significant amount of the nitrogen load to the Gulf it is essential to learn where improvements can be made throughout the mainstem of the river.

2. Objective.

The Project objectives are to:

- A. Create a modern river condition tool that Pokagon Band and watershed partners can utilize to plan for the protection and improvement of the Kankakee River.
- B. Provide the Project team and the public with interactive access to inventory results and provide education of current conditions of the Kankakee River.

Methods/Work Activities

The surveys have several components to assist in collecting a large amount of information in one concerted effort.

Video and Audio - A 360-degree camera, along with microphone, will provide date, time, and GPS coordinates for each daily survey to assist in creating a Google “street view” online interactive map. The interactive map will include survey routes, audio observations, water quality measurements, and habitat condition scores.

Water Quality Assessment - During each River survey, a provided water quality multiprobe sonde

will be used to record time of day, surface water temperature, specific conductivity, dissolved oxygen, turbidity, nitrate, and potentially other parameters at a high spatial resolution (every few meters). A dozen random grab samples of River water during the surveys will be collected to reference against nutrient water quality measurements collected with the water quality sonde.

Indiana QHEI Habitat Assessments - During the River inventory, habitat will be assessed in greater detail at one-mile intervals using Indiana’s Qualitative Habitat Evaluation Index (QHEI) habitat methods described in the Indiana Department of Environmental Management (IDEM) QAPP for Biological Community and Habitat Measurements. Surveyors will complete Habitat Assessment Field Data Sheets from Indian QHEI, and 360-degree video will be recorded during each assessment. Approximately 75 individual assessments along the surveyed route are anticipated.

Online Environmental Condition and Water Quality Data Display and Analysis - Interactive video/data display options are requested to increase the opportunity for data analysis and community engagement with the results of the inventory. Online electronic display will be produced, combining viewable time-lapse interactive 360-degree photos from each camera with interactive maps. The interactive maps will include survey routes, audio observations, water quality measurements, and habitat condition scores. This will provide the Project team and the public with interactive access to inventory results, including 360-degree virtual views of the survey route. A data dashboard that provides interactive graphs and tables summarizing results for each water quality parameter in a user-friendly format is also requested. Data displays will include summary statistics, distribution plots, scatter plots, and color-coded maps for each water quality parameter, showing the spatial distribution and range of measured values from each survey day. This will allow straight-forward exploration of the high-spatial resolution water quality data set. All water quality data will be stored in a format that is compatible with requirements for uploading data to the EPA’s Water Quality Exchange portal.

3. Work Location.

The location of the length of the Kankakee River for analysis in this RFP is in the county of LaPorte and along the borders of Porter/Jasper and Lake/Newton counties, from Crumstown, Indiana to Schneider, Indiana (Figures 1 & 2).

4. Schedule.

- This RFP must include a schedule with the number of calendar days that it will take for the Proposer to complete each stage of the Work.
- The schedule must identify any contingencies that may impact the Proposer’s ability to meet the schedule.

5. Payment Terms

The payment for the project will be as invoiced for work completed on the project by the contractor of choice.

6. Required Signatures.

Dependent upon the proposal amount, required signatures will be needed from the Government Manager, Finance Board, or Tribal Council, as well as a signatory representative of the contractor of choice.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write **NEW** at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

- (b) National Sex Offender Registry Check. Under the Band's Employee, Contractor and Volunteer Screening Policy ("Screening Policy"), prior to performing any Services, the Contractor must disclose to the Band's Department of Human Resources the name, home address and date of birth of any person who is performing or will perform any Services for the Band on Band land and whether any such person is registered as a sex offender in any jurisdiction. Every disclosure must be made by completing an Acknowledgement of National Sex Offender

Registry Check Form ("Form"), which must be provided to the Band's Department of Human Resources at least five (5) calendar days before commencement of the Services. Under the Screening Policy, the Band must not hire and must terminate the services of the Contractor, if any person who is performing or will perform any service for the Band on Band land is registered as a sex offender within any jurisdiction, unless the Contractor certifies in writing that such person will not perform any Services for the Band on Band land. The Band will maintain each Form as confidential, except to the extent disclosure is required under applicable law.

- (c) Conflict-of-Interest. During the Term, the Contractor shall not enter into any activity, employment or business arrangement that conflicts or appears to conflict with its obligations or the Band's interests under this Agreement. If the Contractor contemplates any activity, employment, or business arrangement that may be a conflict-of-interest, it shall promptly advise the Band of such circumstance and shall disclose to the Band such plans prior to entering into this Agreement or prior to proceeding with such other activity, employment, or business arrangement.
- (d) Ethics. The Contractor acknowledges having read and understanding Subsection 8.09 (Personal Financial Interest in Government Contracts), Subsection 8.11 (Gifts That May Influence Official Actions) and Section 10 (Gift Disclosure Requirements) of the Band's Code of Ethics ("Code of Ethics"). Section 10 of the Code of Ethics requires that certain independent contractors file disclosure statements with the Band's Ethics Board regarding gifts, as that term is defined in the Code of Ethics, given to members of the Tribal Council with a Fair Market Value in excess of \$50.00. Without limitation, the Parties agree that the failure of the Contractor to comply with Section 10 of the Code of Ethics shall constitute a breach of this Agreement.
- (e) Preferences Code. In accordance with Chapter 4 of the Band's Employment and Contracting Preferences Code ("Preferences Code"), the signatory on behalf of the Contractor hereby: (i) acknowledges that he or she is a representative of

the Contractor; (ii) represents that he or she is authorized to sign this Agreement on behalf of the Contractor; (iii) represents that he or she has read the Preferences Code; and (iv) represents that the Contractor is fully capable of, and committed to, complying with the requirements of the Preferences Code throughout the Term and as a condition of being awarded this Agreement. [DELETE if NA]

- (f) Right to Audit. The Band shall, upon reasonable notice to the Contractor, be entitled during normal business hours to audit, inspect, examine, and reproduce (“**Audit**”) the Contractor’s materials and records, regardless of form, relating to this Agreement (“**Records**”). The Contractor shall preserve all such Records for a period of not less than twelve (12) months from the date of final payment under this Agreement or for such longer period as required by applicable law, provided that if the Band asserts any claim against the Contractor during such period, the Contractor shall continue to preserve the Records until final resolution of the claim. If an Audit discloses a billing error or discrepancy of any nature in favor of the Contractor in excess of three percent (3%) of the total billings under this Agreement, then in addition to payment or credit for the overpricing or overcharges, the Contractor shall reimburse the Band for the cost of the Audit, including without limitation, all direct expenses incurred to perform the Audit. Any payments and adjustments that are required as a result of the Audit shall be made not more than sixty (60) calendar days from the date the Band provides the Contractor with the results and findings of the Audit. [DELETE if NA]

3. Confidentiality and Work Product

(a) Confidentiality.

- (i) “Confidential Information” means all information, regardless of form, which is not generally known outside of the Band or is known only through improper means or unauthorized disclosures and is either: (A) marked as “confidential”; or (B) should reasonably be recognized as being confidential, including without limitation, based on the subject matter or circumstances of the disclosure. Confidential Information is defined broadly and includes, without limitation: (A) information relating to the Band’s officials, employees, citizens, clients,

patients, programs, operations, finances and plans; (B) information required to be treated as confidential under applicable law; (C) third-party information that the Band is obligated to keep confidential by agreement; (D) information that has or could have commercial value or other utility in the business, programs, operations or affairs in which the Band or its instrumentalities are engaged or contemplate engaging; and (E) information of which the unauthorized disclosure or use could be detrimental to the interests of the Band or its instrumentalities. Confidential Information does not include any information that: (A) is or becomes publicly available without either a breach of this Agreement or a breach of an obligation of confidentiality by anyone else; (B) can be shown by documentation to have been known by the Contractor when it was sent or disclosed to, or accessed by, the Contractor; (C) is furnished by a third-party, as a matter of right and without restriction on disclosure; or (D) can be shown by documentation to have independently developed by the Contractor without reference to any Confidential Information.

- (ii) Notwithstanding any other provision of this Agreement, disclosure of Confidential Information shall not be precluded if such disclosure is required by: (A) a valid subpoena or order of a court of competent jurisdiction; or (B) applicable law, provided that in all cases, the Contractor must: (1) to the extent not prohibited by applicable law, promptly notify the Band in writing of such order or requirement; (2) give the Band a reasonable opportunity to contest the required disclosure and seek protective order or other appropriate relief; and (3) disclose no more Confidential Information than what is required. Disclosure in accordance with the above shall not waive confidentiality for any other purpose.
- (iii) The Contractor shall: (A) maintain all Confidential Information as confidential; (B) take all commercially reasonable steps to prevent the unauthorized access,

disclosure or use of the Confidential Information, including without limitation, implementing, maintaining and complying with reasonable physical, technical, administrative and organizational measures for the security and protection of Confidential Information; and (C) not disclose, directly or indirectly, any Confidential Information, except to its officers, directors, employees, agents and contractors who have a need to know such information in order for the Contractor perform its obligations under this Agreement, provided that the Contractor shall ensure that prior to any such access, disclosure or use, each of its officers, directors, employees, agents and contractors has agreed in writing to be bound by the restrictions on access, disclosure and use of Confidential Information set forth in this Agreement. The Contractor shall not use the Confidential Information other than as necessary to perform its obligations under this Agreement. Except as otherwise expressly authorized above, the Contractor shall not disclose, directly or indirectly, any Confidential Information to any other third party without the Band's prior written consent. The Contractor shall be responsible for any breach of confidentiality by its officers, directors, employees, agents and contractors and shall immediately notify the Band of any unauthorized access, disclosure or use of any Confidential Information.

- (iv) Upon any expiration or termination of this Agreement, and promptly upon request of the Band, the Contractor shall return all Confidential Information to the Band along with any copies, notes or compilations.
- (v) Nothing in this Agreement shall be construed as granting the Contractor any right, title or interest in or to any Confidential Information or any other data or information disclosed or provided to the Contractor in connection with this Agreement, rather as between the Band and the Contractor, the Band shall retain all such rights, title or interests.

(b) Work Product.

- (i) All Work Product shall be considered work made for hire, in accordance with the Copyright Act of 1976, as amended, 17 U.S.C. § 101, et seq., which was specifically ordered and commissioned by the Band. If the Work Product, or any part thereof, is determined not to be work made for hire, then the Contractor hereby irrevocably assigns and transfers to the Band all worldwide rights, title and interests, of any nature whatsoever, in and to the Work Product. If the Work Product, or any part thereof, cannot be assigned under applicable law, then Contractor agrees to waive enforcement of such rights against the Band and its officers, directors, employees and agents and hereby grants the Band an exclusive, full paid-up, and royalty-free license in perpetuity and worldwide, to fully exercise such rights, including rights to sublicense through multiple tiers of sublicense. The Band may assign any of the above rights.
- (ii) The Contractor shall not pursue any claim, action, or suit contesting, make any filings or registrations inconsistent with or otherwise take any action to challenge any Intellectual Property Rights of any nature whatsoever of the Band in or to the Work Product.

- (c) Injunctive Relief. Notwithstanding any other provision of this Agreement, the Contractor agrees that any actual or threatened breach by the Contractor of any obligation under Section 3 of these Terms and Conditions will cause immediate and irreparable damage to the Band, which cannot be fully and adequately compensated in money damages, and which will warrant preliminary and other injunctive relief, an order for specific performance and other equitable relief. No bond or other security shall be required in connection with the Band obtaining any such order or relief, and the Contractor hereby consents to the issuance of any such order or relief.

4. Liability

- (a) Insurance. If required by written notice from the Band provided in advance of the Effective Date and in addition to any insurance coverage

required by law, the Contractor shall obtain and shall maintain, at its sole expense, in force throughout the Term unless the Band consents to an earlier date of cancellation, comprehensive general liability insurance in a minimum amount of \$1,000,000 per occurrence and \$2,000,000 aggregate coverage [MODIFY as Appropriate]. Prior to commencing performance, the Contractor shall provide to the Band a certificate of insurance satisfying the above requirements, naming the Band as an additional insured and requiring ten (10) calendar days written notice to the Band prior to cancellation. The Contractor shall require all of its insurance carriers providing coverage under this Agreement to waive all rights of subrogation against the Band.

(b) Indemnification.

- (i) The Band shall indemnify and hold the Contractor and its officers, directors, employees and agents (“Contractor Indemnitees”) harmless from and against all expenses, losses, liabilities and damages (including without limitation, attorneys’ fees, litigation costs, damage awards, and settlement amounts), arising in connection with any claim, action or suit brought by any third-party involving any bodily injury, sickness, disease or death, or damage to, or destruction of, any tangible property, including without limitation, any loss of use resulting therefrom, but only to the extent caused by any negligent act or omission or willful misconduct of the Band or the Band’s officials, employees and agents.
- (ii) The Contractor shall indemnify and hold the Band and its officials, employees, volunteers, agents and representatives and contractors (“Band Indemnitees”) harmless from and against all expenses, losses, liabilities and damages (including without limitation, attorneys’ fees, litigation costs, damage awards, and settlement amounts), arising in connection with any claim, action, suit or proceeding brought by any third-party arising from or involving: (A) any breach of this Agreement; (B) any bodily injury, sickness, disease or death, or damage to, or destruction of, any tangible property, including without limitation, any loss of use resulting therefrom, but only to the extent caused by any negligent act or

omission or willful misconduct of the Contractor or the Contractor's officers, directors, employees, agents, representatives or contractors; (C) the Contractor’s failure to pay all required employment taxes or any other withholding obligation to any taxing or governmental authority, or to provide any benefit or to obtain workers’ compensation insurance as may be required under applicable law; or (D) any allegation that the Work Product infringes upon any Intellectual Property Rights of any third-party (“**Infringement Claim**”).

- (iii) If a preliminary or final judgment are obtained against the Band’s use of the Work Product by reason of an Infringement Claim, or if in the reasonable opinion of either Party the Work Product is likely to become the subject of an Infringement Claim, then the Contractor shall, without delay (and at its expense and option) either: (A) obtain for the Band the right to continue using the Work Product; or (B) replace or modify the Work Product so that it becomes non-infringing but only if the replacement or modification does not adversely affect the principal purpose, use or function of the Work Product. If the above options are not commercially reasonable, then the Contractor may terminate this Agreement upon written notice to the Band and, in such event, shall immediately refund to the Band all amounts which were paid for the Work Product. The Contractor shall have no liability or obligation under Subsection 4(b)(ii)(D) above to the extent an Infringement Claim arises from: (A) any amendments to the Work Product not created by or, on behalf of, the Contractor; or (B) the Band’s continued use of the Work Product after receiving written notice from the Contractor of the alleged infringement.
- (iv) Each Party’s obligation of indemnification (the Party with such obligation being the “Indemnitor” and the other Party being the “Indemnitee”) under this Agreement shall be contingent upon: (A) the Indemnitee promptly notifying the Indemnitor in writing upon

becoming aware of any claim which gives rise to a claim for indemnification; (B) the Indemnitor being allowed to control the defense and settlement of such claim; and (C) the Indemnitee cooperating with all reasonable requests of the Indemnitor (at the Indemnitor's expense) in defending or settling the claim. The Indemnitee shall have the right, at its option, to participate in the defense of any claim through counsel of its choosing. The Indemnitor may settle any such claim, provided that no settlement of any claim admitting liability of, or imposing duties or restrictions upon, the Indemnitee, other than for payment of monetary amounts for which the Indemnitor shall be responsible, may be entered without the prior written consent of the Indemnitee.

- (c) Limitation on Liability. To the fullest extent permitted by applicable law, the Band's total aggregate liability to the Contractor shall not exceed the sum of the total fee and reimbursable expenses owed under this Agreement for all claims, expenses, losses and damages, including without limitation, attorneys' fees and litigation costs, arising out of this Agreement regardless of the legal theory under which such liability is imposed. In no event shall the Band be liable to Contractor for any special, incidental, consequential or punitive damages of any nature, regardless of whether the Band has been advised of the possibility of such damages and notwithstanding the failure of the essential purpose of any remedy.
- (d) Release. To the fullest extent permitted under applicable law, the Contractor waives all rights to recovery from the Band and its officials and employees, for any bodily injury, sickness, disease or death, or damage to, or destruction of, any tangible property, including without limitation, any loss of use resulting therefrom sustained by the Contractor or any of the Contractor's officers, directors, employees, agents, representatives, or contractors in connection with this Agreement. For purposes of clarity, the above release includes, without limitation, both official and individual capacity suits against Band officials and employees.
- (e) Risk of Loss. If the Contractor is required to deliver any Work Product, then the Contractor

shall bear the risk of loss to the Work Product until delivery of the same to the Band.

- (f) Remedies. The remedies provided for in this Agreement are cumulative rather than exclusive and are in addition to all other remedies provided by law or equity.
- (g) Excusable Delay. The Parties shall not be excused from the performance of any obligation under this Agreement except when such performance is prevented by causes which are beyond the reasonable control and unforeseeable and without the fault of the Party affected, such as acts of God, inclement weather, war, terrorism, civil unrest, labor shortages, pandemics, epidemics, and acts of a government in its sovereign capacity. The affected Party shall promptly notify the other Party of any such cause for non-performance. Upon such notification, the affected Party's performance shall be excused on a day-to-day basis only for the duration of the cause of non-performance and only to the extent that performance is prevented, provided that such Party uses all reasonable efforts to eliminate the cause of non-performance. Where the performance of one Party is excused, the performance of the other Party shall likewise be excused, and both Parties shall promptly resume performance upon the cessation of the cause of non-performance.

5. General

- (a) Time. Time is of the essence under this Agreement.
- (b) Entire Agreement. This Agreement constitutes the entire understanding of the Parties with respect to the subject matter hereof. This Agreement supersedes all prior written or oral agreements relating to the subject matter hereof and is not contingent upon or conditioned on the performance of any other agreement which may have been entered into by the Parties.
- (c) Amendments. Any amendment to this Agreement will not be enforceable unless set forth in writing which is signed by a duly authorized representative of each Party.
- (d) Severability. If any provision of this Agreement is determined to be invalid or unenforceable it shall be considered deleted from this Agreement, and the invalidity of such provision shall not affect the validity or enforceability of any other

provision, which shall be given effect in the absence of the invalid provision. The Parties will, in good faith, attempt to replace any invalid or unenforceable provision with one that is valid and enforceable and comes as close as possible to expressing the intent of the original provision.

- (e) Headings. The headings of this Agreement are for reference purposes only, and only the text of each provision shall be construed to be the terms and conditions of this Agreement.
- (f) Waiver. The failure of either Party to insist upon strict performance of any provision of this Agreement, or to exercise any right or option conferred by any such provision, in any one or more instances, shall not be construed to be a waiver or relinquishment of any such provision, right or option, rather the same shall remain in full force and effect.
- (g) Construction. Both Parties having had the opportunity to review this Agreement with the counsel of their choice, agree that the rule of construction that a contract be strictly construed against the drafter shall not apply.
- (h) No Third-Party Beneficiary. No third-party shall be a third-party beneficiary of any provision under this Agreement.
- (i) Counterparts and Delivery. This Agreement may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement. Any facsimile, e-mail PDF or photocopy of an executed counterpart of, or signature page to, this Agreement shall be given the same effect as the original. This Agreement may be delivered via facsimile or e-mail transmission of an executed counterpart of, or signature page to, this Agreement.
- (j) Surviving Obligations. Subsections 3(d), 4(c), 4(d), 5(c) and 6(f) of this Agreement, and Subsections 2(d), 2(f), 4(b), 4(c), 4(d), 4(e) and 4(f) and Sections 1, 3 and 5 of these General Terms and Conditions, and any other provisions the nature and context of which indicate the Parties' intent to survive, shall survive and continue in full force and effect following expiration or any termination of this Agreement.
